the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1 million (Office for National Statistics 1999).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out a vision for the future of older people's services. The strategy is based on the following principles:

- Older people should be able to live independently in their own homes for as long as possible.
- Older people should be able to access the services and support they need to live independently.
- Older people should be able to participate in the decisions that affect their lives.
- Older people should be able to live in a safe and secure environment.
- Older people should be able to access the services and support they need to live independently.

The strategy also sets out a number of key objectives for the future of older people's services. These include:

- To ensure that older people have access to the services and support they need to live independently.
- To ensure that older people are able to participate in the decisions that affect their lives.
- To ensure that older people are able to live in a safe and secure environment.
- To ensure that older people are able to access the services and support they need to live independently.

The strategy also sets out a number of key actions for the future of older people's services. These include:

- To ensure that older people have access to the services and support they need to live independently.
- To ensure that older people are able to participate in the decisions that affect their lives.
- To ensure that older people are able to live in a safe and secure environment.
- To ensure that older people are able to access the services and support they need to live independently.

SHIP, SPORTSMANSHIP AND CITIZENSHIP

In this life at school, no one does more to help and to inspire us with his advice, encouragement, and friendliness than does our principal, Mr. R. B. Miller. He has provided many opportunities for the development of our mental, physical, and social selves. We, the seniors, wish to take this opportunity of expressing our appreciation for the sympathetic understanding and guidance which he has given us during the past four years.

MR. L. L. CALDWELL

Superintendent of Schools

Mr. L. L. Caldwell, Superintendent of the Hammond Public Schools, has been for many years the chief administrator of our school system. Largely through his efforts we have been able to secure our new addition of which we are so proud. We are appreciative of Mr. Caldwell's interest in our school problems and of his cooperation in all our undertakings.

The Hammond School Board consists of Dr. Clarence A. McVey, President; Columbus Smith, Treasurer; Charles N. Scott, Secretary; Clarence A. Mason; and Claude C. Sohl. These men, working with Mr. Caldwell, handle business and financial problems that arise concerning the schools. Their much needed support has helped George Rogers Clark School realize many worth-while gains.

Mental Development

Intention of the future student is carried on to others when under the direction of competent family members who is a constant supporter towards mental development.

In the Office

Serving in an administrative position and acting as personnel director of both the junior and senior high schools, Mr. Cox aids students in the solution of innumerable problems concerning curriculum, organization activities, and choice of college.

MR. RALPH W. COX, Personnel Director
WILLIAM TICE, Student

MISS MABEL BROWN
MISS MILDRED PAGAN

Clark's two office girls, possessing enviable skill in each of the numerous tasks assigned to them, exhibit a spirit of willing helpfulness and cheerful cooperation in the performance of their varied duties.

Faculty

Natural and Physical Science

Mr. Howard Stevenson Miss Elizabeth Gray Miss Vera McAtee

Natural and physical science classes afford the student many opportunities for experimentation and research in various fields, and prepare him for future exploration into unsolved mysteries of chemistry, biology, and physics.

Mathematical Science

Mr. W. Griffin Miss Frances Cole Mr. Paul Wilkinson Miss Leah Booth

The solution of problems of physics, algebra, and geometry in the mathematical science classes paves the way toward the solution of many complex problems of living.

Social Science

Miss Helen Griffin Mr. Joseph W. Little Miss Emily Johnson Mr. John F. Shanklin Miss Ida M. Pearson

If the platitude, "History repeats itself," is true, it is well that social science classes inform future citizens concerning past and present problems, so that they may be able to solve those of the future.

Faculty

Commercial

Miss Lenore Sumner, Mr. J. M. Robinson, Miss Gail Coughlin

Students who choose a career in the business world develop their skill in typing, shorthand, and book-keeping through practice and study in the various courses offered in the commercial department.

Library

Miss Margaret Gleason.

Search for broader knowledge in a wide range of subjects leads the inquiring student to the school library, where information is available to him in the guise of encyclopedias, pamphlets, magazines, books, and other reference material.

Languages

Miss Doris E. Nelson, Miss Evelyn Carlson, Miss Edith Hayes, Miss Laura Schae,
Miss Pearl Yocham, Miss Carolyn Lambert, Mrs. Alice Adelman, Miss Helen Day,
Mrs. Anne Clippinger (not pictured).

Since it broadens the student's outlook as well as his linguistic powers, and aids him in written composition, the study of ancient and modern languages, represented in the curriculum by Latin, French, and English, is an important division of the school program.

Faculty

Practical Arts

Mr. M. L. Munn, M. Berne Williamson, Miss Ruth E. Anderson.

Increased skill in performing various tasks of home and occupation. is developed in Clark students through several courses in practical arts—namely, home economics, shop, and mechanical drawing.

Physical Education

Miss Georgina Foster, Miss Louise Sykes, Mr. R. W. Cunningham, Mr. LeVerne Taylor;

Through the promotion of healthful interests and activities, the physical education department, in cooperation with the school nurse, maintains a healthful school atmosphere at Clark.

Fine Arts

Miss Bernette Ferris Mr. Adam Decker Miss Mary Carolin Kram Mr. Darwin Eret Mr. Nilo W. Harris

Developing special talents and stimulating the interest of Clark students in the fine arts are the outstanding accomplishments of the music and art departments.

Senior Class

Four years of progress in the development of character, mind, and body; four years of real life — solving life's problems and attaining life's successes — this is the condensed history of the Clark seniors, the class of '39.

After entering high school as freshmen in the fall of 1935, the class was organized; then under the able leadership of its sponsor, Miss McAtee, it immediately began its colorful career.

Every social event, from the "Leap Year Dance" of the freshman year to the "Silver Forest" of the senior year, has met with the success which has been typical of every activity of the class.

Greeting every project with a characteristic cooperative spirit, the class presented during the last two years the dramatic productions, "Remote Control" and "The Late Christopher Bean;" and it also sponsored and supported numerous other activities.

As individuals, these seniors have played important roles in the fields of athletics, band, debate, and club work, and have also attained outstanding scholastic honors.

Throughout the four years of their high school career these boys and girls have solved real life problems and are rapidly assuming an all-important place in the world's activities.

Sophomore Class

The sophomores are now approaching the half way mark in their high school career. Past the period of acquainting themselves with high school life, they are making important contributions to all the activities and phases of school development. Faced with a promising two years, they will strive to make a class which will be an asset to the school.

If

With apologies to Rudyard Kipling

If you are half asleep while quoting Shakespeare,
 And you think that Caesar's unexciting too,
 If no one sees in you the spark of genius
 And you always have a million things to do,
 If you can fill a full half hour of study
 With fifty minutes' worth of idle joy,
 Then fear not the world or anything that's in it,
 For you are just a Sophomore, my boy.

If being called a freshman riles your spirit,
 And you're in the neighborhood of sweet sixteen,
 If you envy not the dignity of seniors,
 When you find you're just a kind of "in-between,"
 If you can fill a full half hour of study
 In working for a test you're sure to pass;
 Then fear not the world or anything that's in it
 For you are just a Sophomore, my lass.

Expansion

Growth of enrollment and the need for new facilities led to the construction of a new addition to George Rogers Clark High School. With the completion of this structure in April, 1939, the students received the benefits of a well-equipped auditorium, a large modern library, three new laboratories, a public speaking room, and new recreational facilities. Every brick added denoted forward progress in the development of the youth of our community, and every nail driven was a step toward the growth of a better George Rogers Clark High School.

Student Council

Taking the lead in school life as the representative body of the students in Clark's democratic government, the Student Council, with its locker, safety, and assembly committees, has rendered invaluable assistance to the faculty and student body by improving the locker situation, recommending a code of ethics for dances, providing interesting and varied assemblies, and establishing a fund for general use in the school.

Debate

Resolved, "That the United States should establish an alliance with Great Britain" — this was the national question for debate this year.

The varsity team, consisting of Mary Kennedy, Drew Miller, and Robert Williams as the affirmative; Dorothy Binder, William White, and Roger Shaeffer as the negative, is under the direction of Miss Schad.

Never before in the history of Clark have so many goals in debate been attained. This year the affirmative and negative participated in a total of eighty debates. Of these they won seventy and lost only ten.

Starting on their way to the state tournament, they defeated Hammond High in the district. After this they were victorious over Lew Wallace in the sectional, and eliminated LaPorte in the zone. Shortridge, the state champions, defeated our team in the state contest.

Because of the vital nature of the question, much interest has been aroused among the students. More people have attended the debates and have actually joined the debate club than ever before. The subject has brought to the students' minds the critical situation that is now existing in world affairs.

Although not eligible for national, the team was issued a special invitation from the National Executive Council to attend the national tournament at Beverly Hills, California, June 19-23.

"B" Squad

The "B" Squad, under the coaching of Mr. Griffin, is an up and coming debate team.

The members entered tournaments at Harvey, Elkhart, and Calumet City, winning a victory at the last one. The team participated in 17 debates. The season's final record showed 5 won, 3 lost, and 9 non-decision.

These debaters are working earnestly and will eventually reach the top.

Junior Debate

The members of this club, freshmen and sophomores, have taken part in various debates and discussions in order to acquaint themselves with the constructive principles of debate. Under the capable guidance of Miss Evelyn Carlson, these young debaters are well on their way to higher fame, and will eventually become our outstanding speakers on all topics of interest.

Junior Red Cross

This branch of the National Red Cross works for "the promotion of health, safety, and service to all people."

Giving assistance to the needy, both in the United States and foreign countries, is a main enterprise of these willing workers.

With the council members acting as intermediaries in the service activities, the Junior Red Cross — under the supervision of Miss Sykes — is carrying out a worthy and vitally important purpose.

Poetry Club

The Poetry Club purposes to develop an interest in the field of poetry.

Meetings were planned to present poetry appropriate to the various seasons; to become acquainted with leading American and English poets; and occasionally to write some original verse.

This year attention was especially devoted to oral interpretation of poetry. This was carried out by means of informal reading of poems in the meetings, by dramatization of narrative poetry, and by the preparation of an assembly program.

Miss Lambert is the sponsor of the Poetry Club. Bernadine Stone was president during the first semester, and Betty Oleksik held the office for the second semester.

Safety Patrol

The boys of this club gave their time to the help and protection of others. Mr. Mullins, their director, greatly aided and influenced these patrolmen in their undertakings.

Because of his distinguished service, Paul Litavec was given a three year service letter. Several boys were given two year service letters. Others were given awards for the time they gave to this eminent cause.

A few social events were held for the enjoyment of the boys. These affairs were a private get-together, a theatre party, and big league baseball games.

Senior Dramatic Club

Desiring always to incite an interest in dramatics and to develop the dramatic arts, this club made steady progress during the year.

Members were given opportunities to exhibit their dramatic talent in different ways. One-act plays were produced; monologues and reports were given in the various dramatic fields. Community singing was a high-light at several meetings.

"The Late Christopher Bean"

After being postponed for several weeks, the long awaited version of "The Late Christopher Bean" was presented by the senior class, on December 1, 1938.

The cast, under the direction of Miss Schad, was able to hold the audience in suspense until the final curtain.

The story centered around Abby, the maid of the Haggett family, and her husband, "the late Christopher Bean." Unknown to Doctor Haggett and his family, Chris Bean was an artist whose ability was recognized only after his death.

The play unraveled in an interesting fashion, with the Haggetts trying to keep Abby from knowing the real value of the pictures. Finally Dr. Haggett realized their greed, and in the last scene handed the pictures over to their rightful owner, Abby.

Les Cercles Français

The purpose of this organization is to enrich and add interest to the study of French.

Programs at meetings, which were held once a month were of interest to all members. They included French games, songs, stories, crossword puzzles, and original dialogues.

Miss Hayes capably undertook the position as director.

The officers of the advanced group are: Alex Kapitan, president; Dorothy Levien, vice-president; Helen Kapitan, secretary-treasurer.

The officers of the beginning club, group I, are: Bill White, president; Bob Ellis, vice-president; Cecelia Huspek, secretary-treasurer.

The officers of the beginning club, group II, are: Frank Shimala, president; Betty Oleksik, vice-president; Mike Valiska, secretary-treasurer.

La Fièvre de Printemps

La fièvre de printemps est arrivée au Clark vers la fin de mars, et même les membres fameux du Cercle Français étaient capturés dans les griffes de cette maladie. Vraiment la fièvre était la plus grande dans les classes de français. Beaucoup de fois Bill White, notre meilleur sommelier, Edith Barnard, Betty Oleksik, ordinairement très vive, et Irene Lukosik étaient brutalement réveillés par l'appel cruel de la maîtresse, Mademoiselle Hayes. Même dans celle-ci nous avons trouvé des traces de la fièvre. Mike Valiska, ordinairement très vigilant, a été decouvert volant quelques clin d'oeil le premier jour, mais il a recouvert bientôt. Maintenant le Cercle Français est lui-même de nouveau et ne souffre aucun effet mauvais de sa maladie récente.

Girls' Glee Club

The Girls' Chorus and Girls' Glee Club, under the direction of Miss Ferris, have given us opportunity to enjoy their singing on many occasions.

The Girls' Chorus is a regular class room project. These girls have sung two and three-part songs in our assemblies and at P. T. A. meetings.

The Girls' Glee Club is an extra-curricular organization, and is a select group. The girls have made several public appearances, and, in conjunction with the Boys' Glee Club, took part in the May Musical Festival.

Boys' Glee Club

The Boys' Glee Club was organized at the close of 1938. Through diligent work and cooperation of both members and officers, the club has progressed very rapidly.

The boys have appeared both in school and in the community, always giving commendable performances. The 1940 season promises to be even a better one because of an increase in their repertoire and added experience.

Band

Our band has gradually grown from a very small group of musicians to the present number of sixty-seven. Although twenty-four members of last year's band graduated, Mr. Hovey, their director, says that the band of this year is equal in ability to that of last.

They are eligible for the national contest in 1940, because they were rated first in the first division at the national contest last year. They have held the title of state champions since 1936.

The band did not take part, as an entire unit, in contests this year, but different ensembles and solos were entered in the district, state, and national contests.

The annual holiday concert was given in December. A spring concert was given in the new auditorium and proved such a grand success that it was presented two evenings, April 26 and May 4.

Physical Development

After 10th grade, a student's physical development begins to change. The body becomes more muscular and the bones become stronger. The heart and lungs also become more efficient. These changes are all part of the physical development process.

G. A. C.

Steadily working toward its aim of enabling girls to earn letters by participation in athletics, the Girls' Athletic Club reached new heights during the 1938-39 school year.

Under the direction of Miss Foster, and with the cooperation of the heads of departments, several sports were included in the activity program throughout the school year.

Twenty-eight girls participated in the fall tennis tournament, with Betty Lou Freeburg defeating Barbara Bercaw in the finals.

Varsity Basketball and Tennis Teams

The seniors were victorious in the two intramural tournaments, defeating the sophomores in basketball, 38 to 35, and the freshmen in volleyball, 31 to 21.

Spring activities consisted of tournaments in ping-pong badminton, and deck tennis, the latter two being new sports introduced to the girl athletes for the first time this year.

The first social event of the year was the hike at the sand dunes on November 12.

At the Blue "C's" banquet held February 21, three girls, Dolores Keister, Betty Lou Freeburg, and Billie Vater, were given the highest possible award, the large white "C", for earning fifteen hundred points. Other letter awards were made at this time, as well as late in the spring, to girls who had earned them by participation in various activities.

Football

Playing finer competition than ever before, the Clark "Pioneers" proved victorious in four of their nine encounters.

Walter Fritz was selected as the most valuable Clark player in the Whiting game, and Raymond Kender was chosen as second.

Bill Fech will be succeeded at the captain's post by Frank Shimada, Clark's halfback, who received honorable mention on Hetz Clark's All State Team and was voted onto the first squad of the All-Calumet Team.

Tennis

Taking into consideration the handicap of working without a coach during the latter part of the season, the tennis team, led by Captain Seymour Kaplan, finished the year quite successfully. The competition was greater than it had ever been before, since this year Clark played all conference teams.

The three major letter winners were Seymour Kaplan, Mark Beaubien, and Julius Sopo.

Cross Country

For the second successive year, the cross country team was ably coached by Mr. Wilkinson, and the season was more successful than the records show. The Pioneer squad won only one meet and had eight defeats, but all of the scores were very close.

The major letter winners were William Kaminsky, James Lee, and Clarence Brown. John Becich was elected next year's captain.

"A" Basketball

The Pioneer basketball team, coached by La Verne Taylor, finished another very successful season by being victorious in sixteen of its twenty-four encounters.

The squad was composed of four seniors and seven juniors. Captain Wilbur Buerckholtz, probably the outstanding player in the history of Clark, was high-point man of the year with two hundred and seventy-four points. Mike Valiska, next year's captain, was second with one hundred and sixty-nine points.

The team reached its greatest height in the South Bend game, when the players made seventeen out of twenty-one free throws. The "Pioneers" also displayed their basketball technique in the Hammond Tech, Alumni, and Washington games, which they won in overtimes.

Freshmen

The freshman squad, coached by Mr. Griffen, won ten out of their twenty scheduled games this season. The squad will provide excellent material for our coming varsity teams.

"B" Squad

After receiving the new name of Settlers, the "B" Squad settled down and won six games out of fifteen matches.

Mr. Robinson, a new member of our athletic staff, should be complimented for his work with this squad during his first year at our school.

Track

Under the guidance of Coach Cunningham, the track team proved very successful by setting four new school records, winning the Chesterton Relays for the fourth consecutive year, and placing fourth in the Sectional Track meet.

Wrestling

The "Pioneer" matmen, under the capable direction of Mr. Cunningham, were not very successful in their dual meets with interscholastic competition. They made up for their defeats, however, by placing third in the state contest with only six boys participating.

Jack Foster, this year's captain, won his third successive state title in the 135 pound class, and was probably the most outstanding boy in the tournament. The other two boys who received state recognition were Bill Fench, first in the heavy-weight division; and Laban Foster, captain-elect, who won second place in the 125 pound class.

Calendar of Year's Events

September

*School days, school days,
Dear old football game days,
Kicking and running and passing too,
All for Clark's colors of white and blue.
You were our team both fierce and strong;
We were your rooters loud and long,
We were loyal to you
The whole fall through.
The students of George Rogers Clark.*

And I do mean we were loyal! Such enthusiasm could be found in no other place than in the state of Indiana, county of Lake, city of Hammond, and school of George Rogers Clark. The faculty were right there with us on the fifty yard line. Did you see Mr. Shanklin among a bevy of feminine charmers at the Clark-Elwood game on the 9th? He seemed well pleased with the score of 19-0, and the rest of us didn't kick either. I thought Mr. Miller would need a new hat after the 16th when Clark played Washington, the way he abused his old one; but since we lost to the tune of 25-0 he's been wearing the same old felt, pulled on at a rakish angle.

Every Clark lad and lassie appeared in his best bib-and tucker for the first dance of the year. I certainly thought Dot Gardner looked cute with those two good looking fellows cutting in on her all evening. And did you notice the new steps Lillian Poplas and her escort sprang on us?

From athletics and dances the seniors became serious long enough to elect class officers for the final time. And a mighty good choice they made when Gus Antilla was elected president; Drew Miller, vice-president; Dorothy Poracky, secretary; Roger Shaeffer, treasurer.

During the latter part of that first month back in school, we saw Clark take Kankakee into camp. This was done with the help of some of the junior girls who yelled themselves hoarse. But in spite of the wonderful work of our cheerleaders we lost our last game of the month to Mansfield, Ohio on the 30th.

October

Listen to that roar! Was it laughter caused from one of the games, or because the senior pictures were taken this month?

*Powder Horn, "Powder Horn,"
Your play was a scream!
Yes, sir, yes, sir,
It surely was no dream.
A bit of advertising,
Clever, there's no doubt
We all enjoyed it so much
We had to laugh and shout.*

Well, Tech was our first opponent on the 4th, and although we enjoyed the game, it wasn't quite close enough to rate as one of our best. What a man Fech! He really opened up a path down the field, giving us 24 points to Tech's 0 score.

It was very evident that dignity was one of the minus qualities at an assembly sponsored by the "Powder Horn" Staff. A play was the medium for advertising the annual. This was put on in a hilarious manner, and proved most entertaining and enjoyable. By the use of her hearing aid "Grandma" Kennedy not only kept up with the conversation, but went way ahead of it.

The "Sugar Bowl" was a sweet affair put on by the junior class. The Big Apple Schottische, and various other dances were done to the latest swing tunes of the Magnavox. So far all Clark students, October 15 was another red letter day.

What was that noise on October 20? Well, that happened to be two days before the Hammond-Clark game, and it was a pep assembly that brought down the house. But, I won't go into the outcome of the game, for that is a sad, sad story.

November

*Out of our classes, and down through the hall,
From George Rogers Clark we go;
The occasion is brief, but what a relief,
For it's Thanksgiving, minus the snow.*

And were we glad to see Thanksgiving? You guess. Well, anyway other important things happened in November besides Thanksgiving. Hobart played Clark on the 4th and walked all over us. As to the importance of that game, it didn't hold a candle to the Whiting-Clark game on the 10th. In spite of a pep session

June and Carmen Sparks
Raymond and Bernice Hmurovich

Loddy and Bessie Rusko
Bernardine and Bernard Zabrecky

Two of a Kind

The senior class of 1933 is the first class in the school's history to have in its membership three sets of twins. According to all indications, this record will not be reached by any other class for many years.

The freshman class is also proud to present June and Carmen Sparks, Clark's only identical twins.

and the help of our enthusiastic band members we lost with the pathetic score of 28-0.

Another successful dance was put on by the "C" Club. Coach Taylor sponsored the occasion, and Dick Nelson, a mighty fine applicant, deserve a lot of credit for the success of this event.

Who was Marie? Well, she was the woman who brought her animal show to Clark on the 23rd. And after the performance of her well trained pets, she had all of us feeling that our money had been well spent.

But to get back to the really most important day of the month, the 24th, was the day of feasting and being thankful. Thankful for a rest from our labors, but just as thankful to get back again at the beginning of the week.

December

*Jingle bells, jingle bells,
Jingle all the way.
Oh, what fun it is to go
To the annual Senior Play.*

Well, at last! It was about time we put on that senior play, after a week or two of putting it off. Miss Schad was almost distracted as first one member of the cast and then another became sick. "The Late Christopher Bean" was finally presented to the general public on December 1, at the Community House Auditorium. Shirley Schaeffer as Abby and Drew Miller as Dr. Haagett did some very clever acting, with the able support of the entire cast.

Basketball made its debut in our games with Southport, Hobart, and Whiting. Our team showed signs of making or breaking some records this year, with Buerckholtz leading the team.

Mr. Hovey was not the only one that was proud of our band, for they surely put on a fine show at their annual concert on the 15th. The fine attendance and hearty applause were proof of the interest of friends and parents.

At last Christmas vacation was only a day away. On the day before our vacation the gym classes, under the able direction of Miss Foster presented a clever Christmas program.

Alumni 31 - Clark 33 was the verdict of the scoreboard the night of December 23rd. "Who does 'Alumni' mean aged and decrepit?"

The social attraction of the holiday season

was the senior dance given in the Silver Forest (Clark gym). Music, majorettes, and merriment made the evening one long to be remembered.

January

*Ring out the old, ring in the new,
Successful dances are far too few.
So three cheers for the freshman and juniors too,
If we take off our hats, and wave them to you!*

After such a swell vacation, I guess all of us were ready to get down to business once more. For the sake of the seniors, let's hope this last half of the year will not go quite as fast as the first half did.

The month of January was a big one for us basketball was concerned. In the course of the month, Emerson, Tolleston, Washington of South Bend, Tech, LaPorte, Hammond, Fractional, and Washington of East Chicago were our opponents.

Last, but by no means least, were the two dances given by the freshmen and juniors on January 13 and 27. Both dances were big successes. We have to hand it to the freshmen especially, because they had the courage to attempt anything on Friday 13.

February

*Sing a song of portraits,
Mr. Bodie's come to Clark;
All the lads and lassies
Thought it quite a lark.
When his work was finished,
He's all began to grieve;
Because this jolly fellow
He's about to take his leave.*

Our two games this month were with Whiting and Roosevelt. Both the Oilers and Rough Riders put up a good fight, but they were defeated by our Pioneers.

February 8 and 9 were the two days Mr. Bodie was at school taking our pictures. In spite of what he had to work with we're sure he'll do wonders, and make us all look like movie stars.

The Hi-Y sponsored a box social on February 25, and in spite of a rather small crowd, those who were there will testify to having had great fun.

"Prince of Peddlers" was given by the junior high and freshmen. This is the second operetta put on by these classes, and both

years the productions have been outstanding successes. Charles Westfall, freshman president, departed from his dignity long enough to furnish a lot of laughs for the evening.

March

*In March when cold winds made us shake;
We went to the tournament hoping a victory to take.
We laughed and shouted till we needed a rest,
To prove to the team they had passed the test.*

Gee, that tournament was too much for all of us. It surely was loads of fun, though, and in spite of our losing out, there is always next year to look forward to.

The National Honor Society students were announced at an assembly, March 8. Fourteen seniors and six juniors were selected. We must hand it to all of them, especially to the juniors, who got on their first year.

March 9 and 10 were great days for the debaters. Their tournament days at Purdue will long be remembered.

The juniors made another stab at a money making proposition on March 17. This was an amateur hour, which was a huge success because the student body backed it.

The "dads" and faculty played their annual game on the evening of March 20. Whether it was due to luck or skill, the faculty came out on top.

April

*The band concert, the band concert,
Hear how they play! Here how they play!
They follow their leader with great delight;
They play and blow with all their might.
Did ever you hear such a band in your life—
As our Clark band?*

Student speeches along with talks from Mr. Caldwell, Mr. Weisner, Mr. Gavitt and Mr. Miller were headliners at the dedication of our new addition. The Boys' Glee Club sang several numbers, and the band gave the finale to our first assembly in the new addition.

"Rainy Rhythm" was a dance sponsored by the sophomore class on April 15. Bill Obermiller, seems to be a good president, because the sophomore class is going places this year.

On the evening of April 26, our band certainly proved itself worthy of the new

auditorium. The new addition was on display to all visitors, also.

Dancing in any language is the same, I guess, but the French Club dance was loads of fun. Miss Hayes seemed to be the belle of the ball.

May

*May days are play days,
And the juniors take the stage;
It was a pleasant evening
And now Miss Schad's the rage.*

The annual "C" Club banquet was held on the evening of May 3. Those athletes can certainly stow away the food.

"320 College Avenue," given by the junior class, was the first play to be produced in our new auditorium. Kathryn Eggers, Bill White, and Sheldon Gayle with the able support of the rest of the cast held our attention throughout the evening.

Those odd characters walking through the halls on May 23 were only the seniors having fun on their dress-up day. Some thoughts that were not so gay filled the minds of the seniors as they realized that their school days at Clark were almost over.

June

*Now we have to leave our school, leave our school,
leave our school,
We seniors have to leave our school
Graduation time has come.
Oh, what fun we've had at Clark, had at Clark,
had at Clark.
Our teachers were the best of sports
But now we have to leave.*

Heavenly music, soft lights, and beautiful dresses symbolized the evening of June 2. If you have forgotten, it was the Prom, and the juniors did themselves proud in honor of the graduating class.

The Baccalaureate Service was the first of the seniors' graduating exercises. It was very nice but just a little sad for the seniors.

Class night was the fifth, and as usual a good time was had by all. Let's hope the graduating class took the jokes as they were meant to be taken.

The last, but by no means least, was Commencement on the seventh.

School out on the ninth, and now for a good rest for all of us.

The Powder Horn is supported to a large extent by the business men of Whiting, Robertsdale, and Hammond. Through their advertising we are better able to finance our year book. The senior class wishes to thank these men for their interest and splendid cooperation in this undertaking.

"After Graduation"

AFTER GRADUATION —

especially when your HIGH SCHOOL days become cherished memories, there is that inevitable parting of friends and acquaintances. So abrupt too! Four years together and probably forever apart.

So may we suggest that you get together occasionally in the 'land o' dance' amid the atmosphere of truly great music, color, and, above all, good fellowship. There's nothing like dancing for alertness and poise, remember.

The "Ghost" in the Ancient Crucible is Today's most Modern Fuel!

● In 1609 John van Helmont, an alchemist, was bending over his crucible when something strange happened. He described it thus . . . "then the heated crucible did belch forth a wild spirit . . . I call it by the name of Geest." He had discovered gas and had named it because of its intangible quality—ghost or spirit.

The test tube has given place to the gas pipe, the crucible to the gigantic gas holder and the alchemist's haphazard experiment to the rigorous research of the gas industry. Gas is no longer elusive. Today it is subjected to the most exact control and has become the cleanest, most dependable and convenient of heating fuels.

Aside from the reliable quality of Minas Company merchandise, the one factor most responsible for our progress has been the policy of "Helpmanship." What is "Helpmanship?" Not so much to 'SELL' goods to our customers as it is to "HELP" our patrons to buy the right things at the right prices to be most helpful to them.

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1995. The public sector has grown from 10% of the economy to 15% of the economy.

There are a number of reasons for this increase. One of the main reasons is the increasing demand for public services. The population of the UK is increasing, and the demand for public services is increasing. This is particularly true of the health service, which is facing a major challenge in the 1990s. The demand for public services is also increasing because of the increasing demand for social services. The demand for social services is increasing because of the increasing demand for care for the elderly and the disabled.
